*Harmful Effects of Khesari Gram and Khesari Dhal.*

The Government of Mysore have been advised that Khesari gram (Lathyows sativus), Khesari dhal and their products like 'Long-flour' are unwholesome and unfit for human consumption and harmful to the health of the people. 'Long-flour' is a flour, cream yellow in colour, resembling the flour of Bengal gram. Made from Khesari Dhal, this dhal and its flour are mostly imported from Bombay State and contain poisonous substances known as cyanogenetic glucosides. Khesari dhal is sometimes used by traders for adulterating gram-dhal or tur-dhal and the flour for adulterating the flours of Bengal and other edible grams. It will be dangerous if the genuine dhal or the flours of such dhals are adulterated with this poisonous variety of dhal or its flour.

The public stockists and prospective importers of such articles are, therefore, informed that the sale or the exposure or hawking for sale, or the keeping, storage or preparation for sale of these articles will constitute an offence under Section 108 of the Mysore Public Health Act, 1944 and that action will be taken under Section 330 of the City of Bangalore Municipal Corporation Act, 1949, in the City of Bangalore and under Section 172 of the Mysore City Municipalities Act, 1933, and Section 155 of the Mysore Town Municipalities Act, 1951, in the City and Town Municipalities of the State.

**Press Note.**

As announced by the Chief Minister on the floor of the Legislative Assembly on the 10th July 1952, Government have constituted a fund called "The Chief Minister's Fund" with the purpose of attracting donations from individuals and institutions all over the State for the relief of distress in the affected areas of the State. The public are well aware that the expenditure from the State Exchequer on distress relief in the several districts has already been incurred in an unprecedented measure. The time has now come for Government to mobilise private charity also in the matter and to pool the entire charitable resources of the State for meeting the task of relieving distress which is assuming more and more serious proportions owing to persistently adverse seasonal conditions.

It is the Government's intention that donations in the form of cash, grain or fodder should be accepted and arrangements made for the speedy transport of donations in kind to the distress areas. The Deputy Commissioners of the Districts have been asked to take action for the immediate formation of Committees in this behalf to mobilise collections for the fund and to disseminate widely the Chief Minister's appeal for donations.
